To Whom It May Concern:

The Bette Perot Elementary School PTA is currently planning its first annual Patriot POWER Wellness Expo. The purpose of this event is to launch a new school wellness initiative aimed at promoting overall wellness through education, exercise and nutrition resources.

With the help of community organizations and businesses we are hoping to create a greater awareness of today's wellness challenges and offer our school's community a chance to learn and experience a variety of approaches to healthy living. We believe that by encouraging staff, students, and their families to practice healthy habits all year, our goal to enhance the bodies, minds, and spirits of our community members will be achieved.

In preparation for our upcoming event we are inviting area businesses and organizations with a focus on health and wellness to join us Saturday, January 28, 2012 from 11 – 3 p.m. Space is limited, and therefore all qualified vendors will be welcomed on a first come first served basis following receipt of the attached application by Friday, December 9, 2012. We ask that all interested organizations please fill out the attached questionnaire describing your function and needs (if any) at the event so all necessary accommodations can be made. Please note that all donations will be 100% tax deductible as we are a non-profit organization and covered under the Texas PTA's group exemption with the IRS and the State of Texas (IRS EIN: 030540984). Also, participants will be credited in official advertisements for our event.

Our mission to promote overall wellness at our school is one we hope will be supported by the surrounding community now and for years to come. On behalf of the school and its volunteers, I thank you in advance for your interest and support, and look forward to working with you in the exciting New Year!

Sincerely,

Angie L. Van Ronk
