## Permission to Participate in Classroom Trash Audit and Campus Trash Pick Up

The audits will take place during your child's recess. It will last approx. 20 minutes and your child will be returned to their class to break for lunch. The audit will only happen one to two times per month. We will also have opportunities for our kids to do campus clean-up during after school meetings. Please review and return this signed permission slip to your child's teacher.

I give permission for my child listed above to participate in the Green Patrol Trash Audit and Campus Clean Up during their recess and/or after school on specified meeting days.
