<b>Message:</b>	<p>I would like to have some parent volunteers, who can come up on consistent basis and spend 30 minutes to 1 hour with a small group of kids playing educational games. Ideally I would like to have someone here every day. So if you can help me find a few people who are willing to commit to a schedule (for example Mrs. White – comes every Wednesday at 10:00 for 30 min., Mr. Black – comes every Thursday after lunch for 45 min., etc.) The parents have to be approved volunteers!</p>

Interested volunteers should complete the “Volunteer Criminal History Authorization Form” found on the Forms/Links tab and submit it to the office for processing.
